To whom it may concern:

Please be advised that Doug Taylor has been volunteering at Habitat for Humanity Durham since February 6, 2012.

We appreciate all of Doug's work. He's been a great contributor to Habitat for Humanity Durham, an absolute pleasure to have on site, always extremely helpful, dedicated and willing to work very hard.

Doug has shown tremendous commitment and diligence to the tasks assigned to him, and the initiative and foresight to take on his own tasks.

Doug has used his varied business skills and has applied them to areas of our Oshawa ReStore and Affiliate Office. His creativity has added colour and character in our mission to help build affordable homes in the Durham Region.

If you have any questions feel free to call me at anytime.

Sincerely,

*Debbie Cook*
