Dear Doug,

I am pleased to tell you that you have won a Julian Blackburn College prize of [REDACTED] for the work you did in the 1996/7 academic year to establish a student organization in the first year of the day programme.

This prize will be awarded annually to a Trent student who is active in the student organization (DUCSO) and who, in this way, makes a significant contribution to student life on the Durham campus.

With best wishes,

Yours sincerely,

Jacqueline Tinson
